

HappyPrinting[®]

**Become the leading online
printer in your country**

Join the HappyPrinting platform and benefit from our
plug & play business solution!

Plug & Play business solution

We all share, we all benefit!

If you want to become a leading online printer in your market, we will get you in business at high speed and low cost. You get a plug & play business solution, including branding, marketing, technology and business services. Partners will benefit from the shared knowledge, experiences and innovations. And as partner of the global network you are positioned to receive print orders from global customers, to be printed locally.

The brand

- Branding materials
- Global brand
- Brand DNA

Marketing

- Campaigns & content creation
- Digital marketing
- Online advertising

Technology

- Localized webshop
- Hosting and data storage
- XML integration

Global network

- Knowledge sharing
- Cross border production
